Topic 2 - Circular Scales				
Target 1	Target 2	Target 3	Target 4	Target 5
<i>Calculate the value of a small division on a circular scale</i>	<i>Complete missing values on a circular scale</i>	<i>Read a circular scale</i>	<i>Read a circular scale using interpolation</i>	<i>Read a circular scale using interpolation Read and set a dial using interpolation</i>
1. Demo: Know that scales have large and small divisions and know how to find the value of a small division	1. Complete missing values on a circular scale	1. Read a circular scale	1. Read a circular scale using interpolation	1. Read a speedometer
2. Demo: Calculate the value of a small division on a circular scale	2. Complete missing values on a circular scale	2. Read a circular scale	2. Read a circular scale using interpolation	1. Read a speedometer
3. Calculate the value of a small division on a circular scale	3. Complete missing values on a circular scale	3. Read a circular scale	3. Read a circular scale using interpolation	3. Read a dial
4. Calculate the value of a small division on a circular scale	4. Complete missing values on a circular scale	4. Read a circular scale	4. Read a circular scale using interpolation	4. Read a dial
5. Calculate the value of a small division on a circular scale	5. Complete missing values on a circular scale	5. Read a circular scale	5. Read a circular scale using interpolation	5. Read a circular scale
6. Calculate the value of a small division on a circular scale	6. Complete missing values on a circular scale	6. Read a circular scale	6. Read a circular scale using interpolation	6. Read a circular scale
7. Calculate the value of a small division on a circular scale	7. Complete missing values on a circular scale	7. Read a circular scale	7. Read a circular scale using interpolation	7. Read a circular scale
8. Calculate the value of a small division on a circular scale	8. Complete missing values on a circular scale	8. Read a circular scale	8. Read a circular scale using interpolation	8. Read a circular scale
9. Calculate the value of a small division on a circular scale	9. Complete missing values on a circular scale	9. Read a circular scale	9. Read a circular scale using interpolation	9. Set a dial
10. Calculate the value of a small division on a circular scale	10. Complete missing values on a circular scale	10. Read a circular scale	10. Read a circular scale using interpolation	10. Speed Response: Safe cracking: Turn a dial to the correct setting
